

ALUMINUM DROP DECK CRIB TRAILER

8450 County R
Suring WI 54174

Our Aluminum Drop Deck gives you the efficiency and safety of a crib with the weight of a rail trailer. There should be no doubt, an extra payload and a lower center of gravity, makes this the trailer for you!

45' - 4 TIER equipped for Center Mount Loader

Great Lakes Aluminum Drop Deck Crib is equipped with our patented Raised Gusseted Clamp on Bunk System, GLT Alum-A-Log Stakes with center web design, making our stakes 50% stronger and 3 times more flexible than steel stakes, and all aluminum head and tail boards.

**28 YEARS OF COMMITMENT TO EXCELLENCE!
LEADING THE WAY IN INNOVATION & DESIGN!**
